The new course of study will extend the two-year pre-nursing program now in existence and prepare graduates to pass the state examination for registration.

The program is being set up, Dean Rehn says, to help meet the great shortage in nurses and in response to the request of doctors on hospital staffs. The SIU program will give students academic work at Southern and clinical experience in adequately equipped hospitals.

### TEETER COMPOSES ALUMNI SONG

Loyal alum R. W. Teeter, '04, recently sent to your Alumni Service a song "for the Alumni which I have dared to write."

The song is as follows:

S-I-U, S-I-U

Alma mater dear.

Garden spot in Egypt land,

With her skies so clear.

Memories, Memories

Bind our hearts to you.

We pledge to thee our loyalty

All hail to S-I-U.

With some encouragement Teeter would probably send along the music. The words and music were introduced at the Chicago Alumni club meeting on May 7.

Let him know you like it—we do—write to Teeter at 3329 Clinton Ave., Berwyn, Ill.
